## *A Heartfelt Thank You*

Celebrating 2025 with our amazing teams!

**THANK  
YOU!**

belgravialeisure

# ***WE ACKNOWLEDGE***

# ***WE SUPPORT***

Belgravia Leisure respectfully acknowledge and recognise Aboriginal and Torres Strait Islander peoples as Traditional Custodians of Country and pays respect to their cultures and Elders past and present.

Belgravia Leisure proudly welcome, support and include all people into the facilities, programs, services and employment it offers to communities across Australia and New Zealand.

# Geoff Lord

## Chairman and CEO Belgravia Group

As we close out 2025, I want to begin by thanking you for another remarkable year across the Belgravia Group. This has been a year defined by progress, impact and a shared commitment to ensuring no one misses out. Together, we have delivered meaningful outcomes for communities across Australia and New Zealand while continuing to build a stronger and more connected organisation.

Thanks to the work of our Business Development team, Belgravia Leisure now manages more than 260 venues on behalf of over 100 contract partners, a significant achievement that reflects the strength of our relationships and the trust placed in our teams.

Our partnership with Cérge continued to strengthen, with accessibility technology now in use across 100 Belgravia Leisure venues and generating more than four million engagements. It is a powerful example of how collaboration can enhance personalised and inclusive experiences for our members and guests of all abilities.

We also became only the second golf management company in Australia to sign the R&A Women in Golf Charter this year, reinforcing our commitment to gender equity in sport. Alongside this, we expanded our partnership with Future Golf nationally, extending into Western Australia with four premier venues and ensuring the game remains open and welcoming to everyone.

Our commitment to inclusion and community impact was highlighted through several major initiatives this year. The Belgravia Foundation's 2025 Inspiration Breakfast raised more than \$63,000 to support inclusive programs and help more people participate fully in their communities. The Diversity and Inclusion in Leisure Forum also expanded into NSW for the first time, delivering the event in partnership with industry and community organisations who share our vision for a more inclusive sector...

# Geoff Lord

## Chairman and CEO Belgravia Group

...Across the business, our teams were recognised with multiple industry awards and continued to make an enormous difference in their communities. From life saving actions in our pools to progress in our reconciliation efforts and our ongoing mission to help one million children become more physically active every year, the positive impact you create is extraordinary.

All of this has taken place during a period of evolution and investment. The organisational reset, new systems and major technology upgrades have positioned us for the future. Your adaptability through this time has been exceptional and it has created a strong platform for long term success.

What stands out most in 2025 is how powerfully our CLEAR values - Customer Focused, Leadership, Excellence, Accountability and Results - continue to shape who we are. Whether you are serving customers on the frontline, supporting systems and operations or leading teams across our network, those values remain the heart of Belgravia Leisure and the foundation of everything we achieve.

As we look ahead to 2026, I am excited about the opportunities in front of us. With a more connected structure, improved systems and a clear strategic direction, we are well placed to deliver even greater outcomes for the communities we support.

As the festive season approaches, I hope you take time to rest, recharge and celebrate with those who matter most. Thank you for your commitment, resilience and passion throughout the year.

On behalf of the Lord family, Happy Christmas and thank you again for 2025. Wishing you a safe, joyful holiday break and an outstanding start to 2026.

Warmest regards,  
**Geoff**

**Geoff Lord recently recognised with the  
Beyond Activ Lifetime Achievement Award**

# Nick Cox

## CEO Belgravia Leisure

As we wrap up 2025, I want to take a moment to look back, and look forward, together.

This year has been transformative for Belgravia Leisure. Whether you're part of our tourist parks, golf courses, spa and wellness centres, or aquatic and leisure facilities, you've helped shape a year that's been all about embracing change and setting ourselves up for the future.

We've focused on bedding down the significant organisational restructure that began last year, making sure we're working smarter and are more connected across every part of the business. I know change isn't always easy, but your support and patience have made us a more agile, unified, and future-ready organisation.

A major highlight of 2025 has been our substantial investment in new systems, ICT and artificial intelligence. These new systems are already enhancing the way we operate, from streamlining our internal processes to enabling more personalised and efficient service for our guests. Embracing technology is not just about keeping pace, it's about leading the way in our sector and ensuring we continue to innovate, adapt, and deliver "premium value" in everything we do.

What really stands out to me is how our guests' expectations are evolving. People are looking for more than just a place to swim, play, or stay, they want genuine connection, wellbeing, and memorable moments. Whether it's a family holiday, a round of golf, a spa day, or a safe place to learn to swim or keep fit and active, you're helping to create those memorable experiences.

Throughout 2025, we've welcomed new team members, expanded partnerships, and celebrated achievements that reflect our commitment to excellence, inclusivity, and community impact. From award-winning initiatives to everyday successes, your contributions continue to define who we are.

Our CLEAR values remain at the heart of our culture, guiding us as we continue to grow and evolve. I am deeply grateful for the adaptability, passion, and dedication shown by every member of our team. Your efforts have enabled us to navigate change, embrace new opportunities, and deliver outstanding results across all areas of our business.

So, as we head into the festive season, I hope you get the chance to rest, recharge, and spend time with the people who matter most. Thank you for everything you've done in 2025. I'm excited for what's ahead, more innovation, more growth, and more opportunities to make a difference, together.

Wishing you and your loved ones a safe and happy holiday season. Here's to a great 2026!

Warm regards,  
**Nick**

# Anthony McIntosh

## Chief Operating Officer

2025 continued to be a year defined by adaptation, resilience, and an unwavering commitment to our purpose. It truly reflected the fighting spirit of the Belgravia Leisure team, a team willing to roll up their sleeves, tackle challenges head-on, and get 'stuff' done. We understood that delivering outstanding outcomes for our communities and contract partners meant ensuring we were set up for success from the very beginning.

At a delivery and venue level, our success hinges on the ability of our Venue Managers to execute with precision. "Excellence in Execution" became one of our defining themes, grounded in the strength of our processes. The message to "COMMIT TO THE PROCESS" remains fundamental. By this, we mean embracing the Belgravia way, implementing our systems and processes as designed, with discipline, consistency, and pride. This commitment forms the foundation of our daily success.

As we continue to find ways to free our Venue Managers to spend more time with our customers and partners, I want to acknowledge and thank our support teams. Your work in developing innovative policies, processes, tools, and systems is truly leading edge. While you may not always get to witness the incredible outcomes that customers experience in our venues, your contribution is deeply valued and appreciated.

I also want to extend my sincere thanks to all operational staff for their dedication to our customers. Your willingness to go above and beyond each day does not go unnoticed.

Looking ahead, I am incredibly excited for 2026. With a more settled structure in place, our focus will turn to consistent service delivery across all venues, supported by strong coaching and guidance from our Business Operation Managers. This support will empower us to deliver even greater outcomes for our customers, our staff, and our contract partners.

Go team Belgravia Leisure!  
**Macca**

# Penny Evans

## Chief Marketing Officer

As we wrap up an incredible year, I want to take a moment to reflect on what we've achieved together. The Get Connected conference was a highlight for me, not just for the ideas shared, but for the chance to meet so many of you in person. It was a wonderful reminder of the passion and commitment that drives Belgravia Leisure.

This year has been a turning point in our digital transformation journey. From launching the new BCMS websites to introducing the Bsocial hub and implementing IVR software at venues, we've made big strides. These innovations aren't just about technology, they're about freeing up time so our teams can focus on what they do best: helping communities stay active and connected. And in 2026, we'll take this even further by optimising these tools with AI to deliver smarter, faster, and more personalised experiences.

Finally, a heartfelt thank you to my amazing team and to everyone who listens, collaborates, and supports us in making these changes possible. Your dedication ensures we can keep improving and delivering exceptional experiences. Wishing you all a joyful Christmas and a well-deserved break. Here's to an even brighter 2026!

Thank you all,  
**Penny**

# Matt Green

## Chief Support Services Officer

Following a year of change and reset, 2025 has been a year of incredible progress. We have achieved significant progress in building further foundations of an industry leading support services team while also progressing the four strategic projects – all of which represent a competitive advantage in the services Belgravia Leisure provides. It is even more exciting to note that the benefits of the work done this year be even more evident in the months and years to come as we embed these improvements into daily operations.

The progress this year has included the integration of the Corporate Services and Finance teams and the very significant Finance System Project. I want to thank those teams for their hard work, commitment, resilience and dedication through the challenge of such a large project. It is great to be able to report that as a result of the project, we now have a modern finance system, a best of breed budgeting tool, an unmatched reporting platform and a new Finance Business Partner Team to support our staff, partners and ultimately the communities we serve.

As we look forward to 2026, we will continue to innovate and build through a strong strategy that will include:

- Continued support for the four critical key Strategic Projects
- The delivery of a new payroll, time and attendance and integrated suite of HR systems
- Faster financial reporting and enhanced analytics
- Deep-dive into the opportunities AI provides for our industry
- Improved support for the Business Development function
- A refined support model for the Group-wide companies

Through all of those projects and work streams, the Support Services team will remain focused on making your roles easier, simpler and more rewarding as we continue to build trust and confidence in the services we provide.

I hope you all are able to take some time for a well-earned rest over the Christmas break and hope you are looking forward to 2026 with the same optimism and excitement that I am.

Thanks,  
**Matt**

# Scott McDonald

## General Manager Business Development

As we wrap up 2025, I want to acknowledge what an extraordinary year it's been. This has been our busiest year on record in Business Development, and it's taken sustained effort, focus and grit from everyone involved.

As we've collected the stories of the impact our people and venues have had on communities across Australia and New Zealand, we're constantly reminded of how passionate our frontline team members are.

Towards the end of the year we're busier than ever transitioning new venues. Every venue we open, renew or improve is more than a facility, it's a place where people move, connect, recover and belong. The impact our venues have on the health and wellbeing of people and communities is why we do what we do.

As a personal highlight, it's been a delight to lead a highly capable project team from numerous functions within the business working to quantify the impact our venues and programs have on the health and wellbeing of communities. There's more to come on this in 2026, and I'm excited to share it with you.

I encourage everyone to take time over the festive season to refresh, reflect and reset, to look after your own wellbeing as much as you look after our communities. Rest is fuel for the year ahead.

Wishing you and your loved ones a safe, restful and joyful break. See you in 2026.

All the best,  
**Scott**

We welcomed 19 new venues to our community and retained 35, adding to the 260+ venues under our management across Australia and New Zealand.
